

MY DREAM SCHOOL

My dream school is situated in Hawaii near the sea.

There is a swimming pool where we can go very Saturday .

In every classroom there is a TV and a computer.

Walls are of all the colours with stars and peace and love signs.

All the pupils, even the boys and the teachers have to wear a pink and purple uniform.

In P.E we have to wear a black jogging and a yellow t-shirt.

We have school on Monday, Tuesday, Thursday and Friday .

We start at 9.00am and finish at 4.00.

Everyday we have one hour of sports, art and other subjects.

We haven't got any homework just if we have a test.

**Finally my school is the best school in the
WORLD**
