

My dream school

My dream school would be near my house so that I can wake up late.

It would be close to a big park so that we **can** go for a walk, when we are free.

I would like it **to** start at 9.30 a.m. and finish at 3 p.m..

Teachers would be nice and friendly. In case they **would not** be present, we **would not** need to go to the study room. We would rather be allowed to go out for a break or to see a movie, or to go for a walk into the park.

The subjects that would be taught would be as following: Math, English, Physics and Physical Education. I would like a lot of sports.

The school rules **would not** oblige pupils to go to the canteen. However, if we ate at the canteen, it would be great to be able to choose **a** meal among different possibilities.

We would be allowed to wear whatever we want as long as we are correctly dressed.

Warnings would have to precede sanctions.

In case of bad marks, you would be allowed to take a new test to try to improve the previous ones.

I would like **not to have a** lot of homework.

But actually, I dream that there is no school !!!!
