

Dear English friend,

My name is Antoine. How are you?

I am not selfish, I am sociable, I haven't got any pets.

My mother is smaller than my father. My mother is younger than my father. My sister is seven years old, my brother is twelve years old. My brother has got short brown hair and brown eyes, my sister has got long brown hair.

I am going to introduce my friend. He is smaller than me. He has got brown eyes and brown hair. He is more sociable than me and tidier too. He is selfish. He always does his bed but he never goes to the supermarket. He is tidier than me, but he is less good at school than me. He is more absent-minded than me. I am less lazy than him. He is as talkative as me. He never helps.

And you? Tell me about your friend.

See you soon.

Cheers,

Antoine.
